### Short Form

Jon-Mikel Bailey worked in sales and marketing technology and marketing firms before co-founding Wood Street in 2002. He gives talks on digital marketing, social media, branding, design, and development to chambers of commerce, trade associations, and national conferences.

### Long Form

Before co-founding Wood Street in 2002, Jon worked in sales, marketing and business development for technology and marketing firms. He has a BFA in Fine Art in Photography from Frostburg State University and still shoots photos for Wood Street clients today. Jon handles business development, project management, and marketing at Wood Street. Jon also manages the popular [Wood Street Journal](#).

Jon gives talks on digital marketing, social media, branding, design, and development to chambers of commerce, trade associations, and national conferences. You can see Jon on such blogs as MarketingProfs, Business2Community, Spin Sucks, Social Media Today, and more. You can catch Jon speaking at events nationwide and online presentations. Check his [speaking page](#) for more details.

### Social Media (There are more. If you really need them, just ask. 😊)
